# SUMMER EXPERIENCE PROGRAM

## **Summer Experience Program**

The Summer Experience Program is an excellent way for prospective members to “test drive” membership prior to going through the formal membership process. Participants and their families (spouses and unmarried children under age 24 living at home) are granted full use of the Club from Memorial Day Weekend through Labor Day Weekend and are encouraged to experience all of the Club’s amenities while building relationships with new friends and colleagues.

**\*Participation in the Summer Experience Program is a one-time opportunity.**

The cost of the Program is \$1,750. The Program cost must be paid in full before the Program begins. A 10% discount will apply to those joining on or before April 1. Participants are required to use ACH payments for the fulfillment of monthly charges (meals, cart fees, etc.). A 3% surcharge will apply when using a credit card. (The Club accepts Master Card and Visa).

## **Dining and Social Activities**

Benvenue Country Club offers a wide range of activities and dining options during the summer months. Participants, their families, and their guests will be able to enjoy dining and social event privileges. There is no Food minimum associated with this program. Our very seasoned sales team would be happy to coordinate meetings, parties, and other special events to be hosted at the Club during the time of the Program.

## **Pool and Youth Activities**

Our pool offers a beautiful private country club setting with a high-end resort feel. Services and amenities featured include a diving board, water slide, gated baby pool, an abundant selection of lounge chairs and shady umbrella tables. The club offers poolside food and beverage service with all ABC licenses. No outside food and beverage are allowed in any area of the club. The club offers a very popular Kid’s Camp three times a summer, including golf, tennis, swimming instruction, along with arts and crafts, games and a field trip.

## **Tennis, Fitness, and Pickleball**

BCC offers a variety of tennis programs and activities for everyone. We offer six tennis and two pickleball Har-Tru Courts with lights to allow for night play. The new fitness center is broad in application with the latest exercise equipment from Peloton bikes to True fitness equipment. The 1,100-square-foot training room houses a recumbent bike, treadmills, an elliptical machine, stretch bars and safety-engaged free weights. The fitness center is the newest amenity that meets member expectations in a complete club setting.

## **Golf**

Our classic 1922 Donald Ross layout is a true test for everyone that plays. Small, fast greens are our signature at Benvenue. We have both a men’s and women’s golf association that provide a wonderful

form of fellowship and competition with all members of the club. The Summer Experience Program includes golf privileges at the below Guest fees. Privileges to participate in our Member Tournaments (Men's Member Guest and One-Day PGA) are not included and are extended only to full club members.
